

Earth and Ocean Sciences Department

HERDMAN SYMPOSIUM

19th February 2011

GEOSCIENCE FRONTIERS 2

List of Guest Speakers & Titles

“Patterns in the history of life.”

Richard Fortey FRS (Natural History Museum)

“The geological history of young continents, old continents and the oceans: why are they so different?”

Prof James Jackson (Cambridge University)

“Why does life start, what does it do, where will it be?”

Dr Mike Russell (Jet Propulsion Lab., CalTech., USA)

“Eyjafjallajökull 2010 eruptions: progress, impact and lessons learned.”

Dr Thor Thordarsson (Edinburgh University)

“Where was Odysseus’ homeland? The geological, geomorphological and geophysical evidence for relocating Homer’s Ithaca.”

Prof John Underhill (Edinburgh University)

“Deep in the mantle something stirred: why there is recent volcanism within Central Europe.”

Prof Marjorie Wilson (Leeds University)

The Herdman Society is the undergraduate society of the Earth and Ocean Sciences Department at Liverpool University; William Herdman was founder and benefactor for the original Department of Geology.

Persons interested in attending can contact us * for further information. The full programme with abstracts, times, location of the Sherrington Lecture Theatre and ticket charge will be circulated in December. The charge to non-students will, subject to sponsorship, probably be ~£8, which includes lunch and tea/coffee.
